Adult

DAY	TIME	CLASS	INSTRUCTOR
Monday	6:45pm-7:45pm	Jazz	ALLUEVA
Monday	7:45pm-8:45pm	Ballet	BAIRD

- Students may cross levels and take classes if needed with permission from the director.
- It is recommended all students, 8 years old and up, take a ballet technique class along with their regular ballet class. However, classes are optional. A student may take tap, jazz or contemporary without enrolling in a ballet class
- Ballet technique is the foundation of ballet training and teaches proper body placement and form. Recital routines are not practiced during this class giving students more time to concentrate on each movement and how each step is performed.
- A free technique class is offered to students 8yr through Level II on Thursdays 4pm-5pm. Student must be enrolled in our dance program to attend the class. This class will give the student opportunity to move forward and prepare the student for pointe work.
- To begin pointe work, a student must be 11.5yrs to 12 yrs with at least 3 years experience in ballet.
